

Příčný řez rigolem:

Technical cross-section drawing of a drainage ditch (rigol) with a concrete base and stone bedding. The drawing shows a concrete base (lože z betonu C 8/10) with a total width of 1600 mm. The base is composed of two side sections, each 550 mm wide, and a central section with a 10% slope. The side sections are filled with bedding (dlažba rigolu z lomového kamene). The top of the ditch is covered with a road surface (vozovka). The drawing includes dimensions for the concrete base (1600 mm total width, 550 mm side sections, 100 mm top width) and the bedding (100 mm top width, 550 mm side sections). The slope of the bedding is indicated as 1:1.5. The drawing also shows the dimensions for the bedding (cca 500 mm) and the road surface (cca 500 mm).
